Did You Know?

Strengthening the Local Economy: The Business Expo, eBlasts, Member-to-Member Discounts and more are designed to help you succeed.

Promoting the Community: Through weekly e-mails, online communications and our collaborations, the Chamber works to improve and promote our quality of life.

Representing the Interests of Business with Government: Last year the Aurora Chamber worked to pass Free Trade Agreements, STEM Academy legislation, Education Reform and Workers Compensation Reform to benefit our business members. In addition, we worked to defeat proposed Minimum Wage Increases.

Providing Networking Opportunities and Building Relationships: This year — in addition to Coffee & Connections and FVNP — we are adding a number of new networking & referral programs to increase your network.
