

# WORKFORCE DEVELOPEMENT PROGRAM

The Aurora Regional Chamber of Commerce is a community leader in workforce development issues in the Aurora region. We work with members and community organizations to engage in short and long term solutions to workforce issues in our community. Our major programs are Pathways to Prosperity and Advance Aurora Foundation, which both focus on long-term solutions of workforce issues. For personalized help with workforce please reach out to our Workforce Development Specialist.

## PATHWAYS TO PROSPERITY

Pathways to Prosperity is an ongoing initiative of the Aurora Regional Chamber of Commerce and educational partners in the Aurora region. The goal of Pathways is to prepare High School age students for secondary education or career paths in Healthcare, Manufacturing, and IT industries. These industries are growing in our region and need a prepared workforce in the future.

## ADVANCE AURORA FOUNDATION

Advance Aurora Foundation advances long term workforce solutions, including advocacy and industry collaboratives. Advance Aurora uses the talent pipeline management strategy to understanding labor market needs and work with employers to develop solutions to ensure a strong workforce for employers into the future. Advance Aurora is an employer lead initiative/foundation to enhance college and career readiness, develop a stronger workforce, and build healthier communities throughout the greater Aurora region.

## OTHER PROGRAMS

The Aurora Regional Chamber of Commerce also provides members with workforce development programs as part of membership to the Chamber. Theses include postings on our job board and meeting with our workforce development specialist to find personalized solutions to businesses workforce issues. These solutions can focus on short or long term solutions. We see the role of the chamber as a connector for businesses in our community and we are excited to connect businesses with resources to help solve workforce issues.
